1. Flexible Knowledge Assessments

You can decide when a student sits their resit assessment within the available window. For example, students may: Sit different assessments on different days or schedule their assessments at different times during the window. We recommend students sit the Flexible Knowledge Assessments during normal working hours to support wellbeing and ensure the best conditions for success.

2. Firm specific

Firm specific assessments.

3. Level 7 apprentices only

EPA2 refers to the End Point Assessment (EPA) for Level 2 in apprenticeships, which is part of the continuous assessment process.
